SUBMISSION OF CORRECTED PTO-1449 FORM

Sir:

An Information Disclosure Statement and corresponding PTO-1449 form were submitted in the above-identified application on June 16, 2000. Applicants note a typographical error on the PTO-1449 form, in the listing of the U.S. Patent Documents. Accordingly, submitted herewith is a corrected PTO-1449 form, in which "5,720,025" has been corrected to read --5,720,015--, conforming to the information that was actually submitted to and considered by the Examiner..

It is respectfully requested that a copy of the enclosed corrected PTO-1449 form be returned, indicating that the information listed thereon has been considered.

If for any reason the Examiner deems that this submission should be effected by a further Information Disclosure Statement, then this paper should be deemed to be such Statement. Since an RCE is being filed herewith, no fee is due.

It is respectfully requested that a copy of the enclosed corrected PTO-1449 form be returned, indicating that the information listed thereon has been considered.

Applicants' undersigned attorney may be reached in our New York office by telephone at (212) 218-2100. All correspondence should continue to be directed to our below listed address.

Respectfully submitted,
